5 SAY - 09 Electronic Gas Ignitors

- ◆ UL Recognized in U.S. and Canada
- ◆ 6 KV spark, 15 KV peak guarantees quick and efficient ignition
- ◆ Small in size 4" w x 6" l x 3" h
- ◆ Lightweight - only 2 lbs.
- ◆ Water Resistant
- ◆ Efficient Heat Dissipation
- ◆ Input 120 V 50 or 60 Hz
- ◆ Versatile mounting holes for panel or 4x4 junction box mounting

Experience the quality FRANCE has always brought to the heating industry... experience the best!

5 SAY - 09

Catalog Number	Voltage / mA Equivalent	Primary VA	Dimensions in Inches			Weight in lbs.
			L	W	H	
5 SAY - 09	6,000 30	29 VA	6	4	3	2

Each power supply is complete with two (2) 13" primary leads and a high voltage bushing for installer termination.

Specifications:

Input: 120 VAC, 60 Hz, 29 VA
Output Voltage: 6 KV
Output Current: 30 mA RMS
Secondary One End Ground
Ambient Operating Temperature: - 20° to 120°F
Storage Temperature: - 40° to 150°F
